gilt back. 51

"An agreeable Diary of an American Mother from the pen of Mary Howitt, written in her theerful figuride style, and secribing every day comes in Western life, in an any and charming manner." — Protestant Charching.

"Of remarkable interest and power, written in Mrs. Howitt's best style."—N Y. Ecangelist.

"It is written with that gracuful naturalness and interesting minuteness of description which

and interesting minuteness of description which have rendered its authoress such a favorite with the South Carolina Agricultural and GABRIEL: A story of Wichnor Wood. A Take of Boglish Rural Life, by MARY HOWITT. With illustrations by Bispham and Mayer,

engraved by Williams. 16mo, extra cloth, Filt back. \$1. "The best juvenile story Mary Howitt eve wrote. It is very interesting, and the most fasvolume when once commenced, without conduis fairly fascinating. Gabriel is a peasant hero; his generous impules and Christian steadfastness are excellent examples for our juveniles."—

"We were beguiled into reading this little volume by the charming descriptions which introduce the scene and actors of the story. Mrs. Howitt gives a picture of 'pleasant Wichner Wood,' which grows life like under her graceful touches, until we seem to see its green haunts. Wood, which grows life like under her graceful touches, until we seem to see its green haunts, and can almost greet the merry bands of children that come trooping through the forest to the village school, with berry-stained lips and fingers, and trailing flowers in their hands. Not less faithful, but quite different is her description of the dark pits of Grublow, with its grimed colliers, and black, usightly desolation everywhere. The moral that virtue is its own reward, is agreeably illustrated in the experience of the young here. illustrated in the experience of the young hero, Gabriel, who, at the age of twelve years, is endowed with manifold manly virtues. We think our young friends will find a pure and pleasant entertainment in the reading of this work."—
